Acupuncture - Mayo Clinic

Traditional Chinese medicine explains acupuncture as a technique for balancing the flow of energy or life force — known as chi or qi (chee) — believed to flow through pathways (meridians) in your body. By inserting needles into specific points along these meridians, acupuncture practitioners believe that your energy flow will re-balance. In contrast, many Western practitioners view the ...

Acupuncture - Care at Mayo Clinic - Mayo Clinic

Types of integrative medicine in use at Mayo Clinic include mindfulness and other mind body therapies, herbal supplements, massage, acupuncture, aroma therapy, animal assisted therapy, and music therapy. They are provided by well-trained health care professionals, often licensed or certified to practice these there therapies.

Acupuntura - Mayo Clinic

La medicina china tradicional explica la acupuntura como una técnica para equilibrar el flujo de energía o fuerza vital, conocida como "qi" o "chi", que se cree que fluye a través de canales (meridianos) en el cuerpo. Al insertar agujas en puntos específicos en estos meridianos, los acupunturistas consideran que el flujo de energía se reequilibra. Por el contrario, muchos acupunturistas ...

Acupuncture - Request an appointment - Mayo Clinic

Request an appointment At Mayo Clinic, acupuncture is offered in the hospital setting to people who have been referred by a Mayo provider for integrative (sometimes called complementary and alternative) treatment. Acupuncture is also offered at the Healthy Living Program Rejuvenate spa on Mayo Clinic's campus in Rochester, Minnesota.
