## How does the regular expression "(aa)+\1" match "aaaaaa"?

The \1 refers to the captured group, which is the same thing the quantifier is referring to. So effectively, it's saying "group aa, 1 or more times, and then one more time". Which is the same as "2 or more times". So the regex might be clearer as this: /(aa){2,}/ Since aaaaaa is three sets of the aa group, the regex matches the string.

## American - Airline Pilot Central Forums

American ### It is against the APC Forum Rules to advocate any labor action which is not authorized by the RLA/NMB. This applies to ANY wildcat actions, including slowdown, work-to-rules, withdrawal of enthusiasm (WOE), sickouts, etc. It is irrelevant whether the union itself has anything to do with the action. Major unions have lost court cases and in one instance suffered severe financial ...

## regex - Why does a\*a match aaa? - Stack Overflow

It does initially attempt to match the entire string, but repetition will backtrack if a match fails. After the a\* initially matching the entire string, the regex tries to match the next token, the single a This fails, so then the a\* backtracks back a character (so that it only matches aa rather than aaa). This time, the last token, the single a, is fulfilled, so a match is found. Greedyness ...

## AA vs SWA CJO - Airline Pilot Central Forums

Major - AA vs SWA CJO - I did a search but couldn't find anything with current contracts at AA and WN. So about to turn 42 and finally got a December class at SWA after swimming in the pool. Also just interviewed at AA and got the CJO, was told to likely expect a December or January class. I'm really at a crossroads

## How to match 'aA1' or 'Aa1' or '1aA' with regex? - Stack Overflow

It IS possible with regex. But you are better off writing a loop for this.

## **2025 WAI Meet & Greet - Airline Pilot Central Forums**

Major - 2025 WAI Meet & Greet - Hello, I am going to be attending WAI for the first time this year and have some questions for those who are more experienced with aviation conferences. My main goal is to score a meet & greet with both DL and AA, as well as general networking. Upon registering for the

American - AA loses ORD gate lawsuit & hires DAL exec - American Airlines loses bid to block O'Hare gate redistribution A federal judge has sided with United and the City of Chicago in their dispute with American over gate allocations at Chicago O'Hare . American sued the Chicago Department of Aviation in an

## **AA flight attendant killed on LO - Airline Pilot Central Forums**

American - AA flight attendant killed on LO - <https://www.12news.com/article/news/...1-d648b3837d04> RIP Valley flight attendant dies during Denver layover The Association of Professional Flight Attendants sent out a news release confirming the death of Celinda Levno on Sunday.

## **On a spreadsheet what does A:A and !A:A mean? - Stack Overflow**

N:N means that the range includes the whole column N, rather than just certain cells (e.g. N1:N300). This allows a formula to reference all data in the column even if you add more rows later on. The exclamation mark is explained here: What does an exclamation mark before a cell reference mean? When entered as the reference of a Named range, it refers to range on the sheet the named range is ...
