About the Affordable Care Act | HHS.gov

About the Affordable Care Act The Patient Protection and Affordable Care Act, referred to as the Affordable Care Act or “ACA” for short, is the comprehensive health care reform law enacted in March 2010. The law has 3 primary goals: Make affordable health insurance available to more people.

Health Care | HHS.gov

About the Affordable Care Act Learn how the Affordable Care Act (ACA) makes health care in America more affordable for you and protects your right to access the care you need.

What is the Affordable Care Act? - HHS.gov

The “Affordable Care Act” (ACA) is the name for the comprehensive health care reform law (passed in 2010) and its amendments. The law addresses health insurance coverage, health care costs, and preventive care.

Affordable Care Act (ACA) Anniversary - HHS.gov

The Affordable Care Act (ACA) was signed into law on March 23, 2010. The ACA has led to millions of Americans gaining health coverage without lifetime limits, and protections are in place for people with preexisting conditions. People have access to essential health benefits, including preventive and rehabilitative care, prescription drugs, wellness visits and contraceptives, and mental health ...

Affordable Care Act Basics - HHS.gov

Page Text The primary goal of the Patient Protection and Affordable Care Act (Affordable Care Act) is to broaden access to health insurance coverage. To achieve this goal, the Affordable Care Act provides a premium tax credit to help subsidize coverage, gives consumers tools to make informed choices about their health care coverage, and puts in place strong consumer protections. Agents and ...

FAQs Category: About the Affordable Care Act | HHS.gov

Affordable Care Act (ACA) is the name of the comprehensive health care reform law passed in 2010. The goals of the law were to make health insurance coverage more affordable, expand Medicaid where possible, and support innovation to lower health care costs.

What is the Health Insurance Marketplace? - HHS.gov

The Health Insurance Marketplace ® is a service run by the federal government that helps people, families, and small businesses: Compare health insurance plans for coverage and affordability.

Enroll in or change a health insurance plan. Find out about tax credits for private insurance or health programs like Medicaid or the Children's Health Insurance Program (CHIP). Get answers to ...

Pre-Existing Conditions - HHS.gov

Under current law, health insurance companies can't refuse to cover you or charge you more just because you have a "pre-existing condition" — that is, a health problem you had before the date that new health coverage starts. They also can't charge women more than men.

Lifetime & Annual Limits - HHS.gov

The current law prohibits health plans from putting annual and lifetime dollar limits on most benefits you receive.

Section 1557 FAQs - HHS.gov

Section 1557 is the nondiscrimination provision of the Affordable Care Act (ACA). The law prohibits discrimination on the basis of race, color, national origin, sex, age, or disability in health programs or activities that receive Federal financial assistance or are administered by an Executive agency or any entity established under Title I of the ACA. Section 1557 has been in effect since ...
