For a noob: So what exactly does any%" mean? - Reddit

btt: any% just means that "complete the game with any percentage of completion" people use it because there are categories like low%, 100% and in some games even max% with certain restrictions (usually segments of the game). the reason for that comes from metroid (I think?).

All free streaming sites seem to be down... anybody know any ... - Reddit

All of a sudden, in the middle of season 3, all of the sites I use have suddenly stopped working. I've seen other threads here about it but nobody seems to know of any working sites. If you know of any sites that have been working in the last 15 minutes, please post them. We should also compile a list of the sites that aren't working.

Any truth to "Never change old transmission fluid"? - Reddit

A flush is when the vehicle is on typically and you pump new fluid in as the old fluid is going out. You keep flushing until you don't see any old fluid coming out anymore. (99% positive) Reply reply
