G-Force Blade 6 (Turkish Scorpion clone) - AR15.COM

I just bid on one. I also emailed G-Force for a list of parts compatibility with Scorpion. I would think that would be part of the marketing strategy but they may not be that squared away. Looks like a similar version of this was marketed by a company called Celik over the last few years. The G-force brand seems to be fairly established but this is a new model under the name. I'll post their ...
