Jeremy Bentham - Wikipedia

Since 1959 (when the Bentham Committee was first established), UCL has hosted the Bentham Project, which is progressively publishing a definitive edition of Bentham's writings.

Jeremy Bentham | Biography, Utilitarianism, Philosophy, & Auto-Icon ...

Who was Jeremy Bentham? Jeremy Bentham was a philosopher, economist, jurist, and legal reformer and the founder of modern theory holding that actions are morally right if they tend to promote happiness or pleasure (and morally wrong if they tend to promote unhappiness or pain) among all those affected by them. Why is Jeremy Bentham important?

Jeremy Bentham - Stanford Encyclopedia of Philosophy

Bentham's influence has been felt to a considerable extent in the field of economics, in which the felicific calculus provided the groundwork for the development of policy based on cost-benefit analysis.

Bentham, Jeremy | Internet Encyclopedia of Philosophy

While Bentham's essays against natural rights are largely polemical, many of his objections continue to be influential in contemporary political philosophy. Nevertheless, Bentham did not dismiss talk of rights altogether.

Jeremy Bentham | Utilitarianism.net

Jeremy Bentham is often regarded as the founder of classical utilitarianism. According to Bentham himself, it was in 1769 he came upon "the principle of utility", inspired by the writings of Hume, Priestley, Helvétius and Beccaria.

The Core of Utilitarianism: Jeremy Bentham's Philosophy

Bentham, a prominent British philosopher and social reformer, developed the principle of utilitarianism, which has profoundly influenced ethical theory, economics, and public policy.

Jeremy Bentham | UCL Transcribe Bentham

Jeremy Bentham was born in London in 1748 and died in 1832. He devised the doctrine of utilitarianism, arguing that the 'greatest happiness of the greatest number is the only right and proper end of government'.

Who was Jeremy Bentham?, What were Bentham's life and career like?

Jeremy Bentham (1748-1832) was the founder of the moral system of utilitarianism, which is considered to be one of the three major systems of ethics in Western philosophy, along with Aristotelian virtue ethics and Kantian deontology, or duty ethics.

Bentham, Jeremy (1748–1832) - Encyclopedia.com

BENTHAM, JEREMY (1748–1832) Jeremy Bentham, English philosopher and reformer, was born in Houndsditch, London, on February 15, 1748. His father was a solicitor, with wealthy and important clients in the City of London.
