Video Chapters - YouTube Help

Video Chapters break up a video into sections, each with an individual preview. Video chapters add info and context to each portion of the video and let you easily rewatch different parts of the video. Creators can add their own video chapters for each uploaded video or rely on automatic video chapters. Chapters may appear in the transcripts.

How do I make chapters in Google Docs?

How do I make chapters in Google Docs? I have tried creating headings and making a table of contents and it is going pretty well, but what I am looking for is something my friend had set up on one of her novels where it was a small side extension which showed every section in her book. It was available on every page and it was gray.

How to Add Chapters to Your Videos Using Timestamps

We're introducing Video Chapters on Desktop, Android and iOS, which allows you to jump forward to a specific section of a video, rewatch a portion of a video, and more. Chapters appear at the bottom of the video player and use timestamps from the creator's video description. Note: chapters are only shown on videos if the creator has included ...
