& compare A [with B] (compare 1 thing together with sb) I think, for the question setter, they thought it is the latter pattern that should explain the question.

compare A (with / and) B - WordReference Forums

Dear all, I compared prices in Tokyo (and / with) Singapore. Are there any difference in meaning or nuance between compare 'A and B' and 'A with B'? I would appreciate any comments.

compare with/against/versus - WordReference Forums

Compare with (= compare against) works best in that context. In general, you compare one thing to another to identify similarities between them, and you compare it with or against something to identify differences.

comparé à - accord - WordReference Forums

Bonjour, Il me semble qu'on pourra faire ou non l'accord selon que l'on considère qu'il s'agit d'un adjectif ou d'une locution adverbiale (équivalente à "par rapport à"). On peut aussi en effet esquiver l'hésitation en employant d'autres tournures comme "à comparer avec", "en comparaison avec", "comparativement à".

Commare - WordReference Forums

Maria, welcome to the WR Forums Commare is not in Italian, rather a Southern dialect. The correct spelling in Italian is comare. Unlike the word compare (same word but for a man) that was less fortunate, comare has several meanings: 1 = godmother 2 = neighbour who likes gossip 3 = it can also be a title before the name (in the South) Depending on the context it can also be used for woman, old ...

Say A and B are the same kind of product but of different brands. I want to test their functionality. I compare A and B on their functionality. I compare A...

Compare to and compare with, use this phrase at very beginning of a ...

Hi, everyone, I've read many articles, about the differences between compare to and compare with, but every one explains it in a different way. So, the way I want to use it is pretty simple, for example, Compared to/with A, B is xxx, Compared with younger people, older people are more...

"relative to" and "compared to/with" | WordReference Forums

Relative is less absolute than comparison. We compare two objects and at that time they are what they are and a comparison is made, but if they were to change we would have to make a new comparison. Relativity allows for the possibility of changing circumstances from any of the subjects/objects being compared from the outset.

Liken vs compare vs analogize - WordReference Forums

To me compare and liken can be used interchangeably in this specific case, however in many other contexts when X is being compared to Y, the whole point of doing the comparison is to identify differences, not similarities. Additionally, I guess the verb analogize is rarely used in English (either in AE or BE,) so we can even forget about it. PS.
