Course Hero Worth It? : r/GradSchool - Reddit

Happy New Year, everyone! I have to take some pretty challenging finance and accounting courses in the fall for my graduate program. I see that Course Hero has a lot of relevant material that could be helpful for me. That said, is Course Hero (or similar sites) worth the subscription? Also, is there is any taboo or academic integrity with utilizing course hero, provided that the materials are ...

Coursehero Downloader : r/Piracy - Reddit

is there any new site that can download coursehero files for free? Archived post. New comments cannot be posted and votes cannot be cast.

Course Hero : r/Professors - Reddit

All the project solutions for a course I teach have been uploaded to course hero, if students simply access they will have almost 100% of the answers for my class and I won't have any evidence to report them if they change the wording/formatting. The course is a very advanced graduate course using Matlab, and would take a long time to make new projects and will not be possible this semester ...

I posted some of my work on Course Hero and a Professor found ... - Reddit

Recently the professor I had for the class found the work I put up, and me being a complete idiot, I had way too much identifying information on my Course Hero account. She emailed my old student account that I hardly check a few weeks ago, saying it was academically dishonest and asked me to remove it. Which I immediately did.

Coursehero "scammed" me : r/phcareers - Reddit

Coursehero is a scam. If you google or Reddit with those key words you'll see that similar situation happened to a lot of people Reply reply Opening_Equipment_89 •

Solutions to coursehero and friends : r/Professors - Reddit

So say you get your decision of infringement after two years, CourseHero takes down the material for one of your courses, and you pay your legal bills for \$15,000. Meanwhile, students in your next four courses have already posted those course notes on CourseHero. Who's winning this game?

Need help removing uploaded documents on coursehero

I need Course Hero to remove my uploaded documents. I've sent them dozens of requests from my

Course Hero account and email address, but they just keep ignoring me for almost a year (I am sure that is because my documents are highly profitable.).

true I'm trying to complete a piece of coursework and I need to access an article on this site but its blurred and I dont want to pay the £50 subscription for one piece of work Can anyone help me out?

Does anyone use Chegg, CourseHero or Studocu? : r/WGU - Reddit

CourseHero & StuDocu>>>> I bought the membership for both and it was the best thing. WGU students get discounts on both btw.

Unblur docs from Course Hero? : r/Piracy - Reddit

There's Coursehero bots coupled with the Chegg bots on some Discord servers. I've looked at a few of the servers, and while the Chegg bots are free with restrictions the Coursehero bots seem to be locked behind a donor paywall.
