## **10 Reasons the C2 Corvette is the BEST Corvette of All Time!**

The C2 could compete in the toughest races in the world with the likes of Porsche. Was 1963 a massive year for the Corvette or what? The introduction of the C2 gave us the split window, the Sting Ray name, the Z06, the pop-up headlight, and for the first time ever, a Corvette with an independent rear suspension. As such, handling was greatly ...
