Flare Gun Legalities

They're non-lethal (mostly), orange so they can't be a 'look alike', able to be bought by 18 and older w/o background checks. Yet they fire 12ga shells with gun power and fire a projectile.

Duty to Inform when stopped by police

Re: Duty to Inform when stopped by police I think op is asking if such info comes up on the system when the officer checks the driver's information? There are no pacts between lions and men.
