Spend - This is your spending account; it's easy to setup and track spending. Have your monthly income direct deposited into this account (payroll, social security, etc.).

2024 Credit Card Recommendations : r/CreditCards - Reddit

With your credit score, you can qualify for pretty much any credit card on the market, and you should be able to get a pretty good credit limit based on your income, too. Since you spend a lot of money on groceries and gas every month, I highly recommend cards that give bonus rewards in both of those categories.

PSA: Freezing your three main credit reports is NOT ENOUGH

Although freezing your reports at the main three credit bureaus is essential, it is not enough. This is the case in part because there are several other bureaus that may be checked instead of one of the main three reports.
