## **Daily Discussion/Debate #95: Cursed Tome : r/slaythespire - Reddit**

Daily Discussion/Debate #95: Cursed Tome One of the strongest events in the game in my opinion. All 3 of the resulting books are quite strong. Necronomicon is the strongest by far, but Nilry's Codex and Enchiridion are both quite good as well. It's really only a cost of about 14 ish HP for a good relic guaranteed.

## **Question about Cursed Tome :: Slay the Spire General Discussions**

In the Cursed Tome event, you can choose to take damage and leave without the book, besides MAYBE using the revive potion to get more HP (for some reason), would there ever be a use for taking the damage without taking the tome when you can just leave without taking any damage.
