Integrated Cyber Defense Exchange (ICDx) - Symantec Enterprise

Your best bet for finding information on going forward is to ask in the communities of the integrated products. There isn't currently a replacement for ICDx that I'm aware of (that is an umbrella for many different products), but each ...

VM e NIC fisica - VMware Technology Network VMTN

Vorrei tanto poter assegnare a ogni singola VM una nic fisica del server in modo da avere una relazione 1-1 tra nic e scheda di rete.

Remove Phantom Resources from Auto-Discovery?

I installed Hyperic on a server shortly before decommissioning it. I never got around to adding that server and to my Inventory so it just sat in Auto-Discovery. Now that the original machine is gone, how do I remove this entry? I tried adding it to Inventory (so I could then delete it), but it err...
