How to indicate possession when using abbreviation "Dr."

I think when you use "Dr" or "Dr's" (with or without the period) as an abbreviation for Doctor, it's fine if used in an informal setting. After all, you are abbreviating the word "Doctor" in a generic sense, rather than referring to the use of "Dr. Smith" (honorific).

Is Dr. the same as Doctor? Or how to distinguish these two?

"Dr." is an abbreviation for "doctor", and either can be used in most situations. However, it is not idiomatic to say, eg, "Frank is a Dr. at Memorial Hospital", or "Joe is sick so I called the Dr.". Rather, "doctor" is generally spelled out in such cases, where the term is used not as a title but a position or trade.
