The less clean your DMT the less likely you'll get through the full life of a cartridge. The dark and orange DMT will burn these things out, I dont think they're designed to handle all of the additional plant fats.

The Art of Changa, a guide to making the perfect blends. - dmt-nexus.me

Changa is more or less the same experience as freebased DMT but with a few pleasant differences; longer working time to administer, a slower on set, longer duration of effects, and many feel more depth and the ability to better navigate within the experience.
