Bambino Classico & Belissimo V1. Where have they gone!?

I was stocked up on these less than a year ago, always purchased from LittlesDownUnder. Loved them because they (especially the classico) were super thick...

If someone finds my stash, I have this to say! - ADISC

I wanted to share this with everyone because I think I've finally put on paper something that speaks for a lot of us, and if this helps you, I want to share...

Drew This today | ADISC.org - The AB/DL/IC Support Community

View attachment 156624 Anput is my favourite Egyptian goddess to draw, though I may draw diapered Hathor at some point. I hope you guys like what I've drawn here, I must confess to the fact that I am an amateur at best. If you're curious about how I come up with ideas and designs and all, lemme know, I'm more than happy to answer questions!

Memorial day deals (post them up!) - ADISC

Got an email from rearz, offering 25% off on all of the store, but kinda considering trying some others if they got some good deals.

Stages of development words and what they say/mean in your head

so in my ECE major mind, infants become toddlers when they start walking, eat real food, use sippy cups, and many move to pull-ups and start potty training. Toddlerhood lasts until about 30 months (2.5 years), and preschoolers are 3-5. I'm not sure what you'd call the in between. Many toddlers can be potty trained, but will probably still have accidents sometimes. Preschoolers should be fully ...

Is anyone from Faroe island - ADISC

Cripes, that's a niche! Be interesting to hear what being ABDL-ishy is like (cost of disposables, if used, and their disposal)

How do you go potty? | ADISC.org - The AB/DL/IC Support Community

If not wearing, just straight up sitting, pants down lol If wearing, standing up or laying down, propped up on the couch.

Class is in session | ADISC.org - The AB/DL/IC Support Community

I get that, I'm imagining a school bathroom but instead of the usual rows of cubicles and sinks just around a corner is one of those changing tables like in a public bathroom, I remember my school had a bathroom that was unisex but it was also designed for disabled students.

Reinstalling Windows 7 without disk - Microsoft Community

I was told to try reinstalling Windows on the PC, however, I wasn't given a Windows 7 recovery disc with my PC. I do, however, have a COA product key. I was wondering if this is a substitute for a install disc, or if I still need a disk to reinstall Windows 7.

Where do you store your baby stuff? - ADISC

I have my stuff in a cabinet in my closet behind my clothes in a corner. I do have some things in a box, but it is not much. My wife knows about where the stuff is at, but she never touches it, and I don't take people around showing my closet.
