## **Any alternative to z-library? : r/Kenya - Reddit**

So I am doing a Masters project and I heavily relied on z library until they moved to the tor browser which is extremely slow. Does anyone have an alternative website similar to z library?

## **None of the Megathread magazine sites are any good : r/Piracy**

None of the Megathread magazine sites work - they either link to dead sites (thetrove.is, pdf-giant.com, magazinesdownload.org), or they ask you to sign up for premium downloads and if you don't you need to fill in a captcha, then wait a minute for a link, then a file takes an hour to download; or the magazines are shown, but when you click on it, the file is not found. It would be nice to ...
