Figure 03 Helix

Figure 03 Helix is a diagram illustrating the structure of a helix. The diagram shows a helix with a central axis and a series of points along the axis. The points are labeled with numbers 1 through 30. The helix is shown in a perspective view, with the central axis extending into the distance. The points are arranged in a regular pattern along the axis, and the helix is shown as a series of connected points.

Figure OpenAI

Figure 1 OpenAI is a diagram illustrating the structure of a helix. The diagram shows a helix with a central axis and a series of points along the axis. The points are labeled with numbers 1 through 30. The helix is shown in a perspective view, with the central axis extending into the distance. The points are arranged in a regular pattern along the axis, and the helix is shown as a series of connected points.

Figure OpenAI

Figure 01 OpenAI is a diagram illustrating the structure of a helix. The diagram shows a helix with a central axis and a series of points along the axis. The points are labeled with numbers 1 through 30. The helix is shown in a perspective view, with the central axis extending into the distance. The points are arranged in a regular pattern along the axis, and the helix is shown as a series of connected points.

chart diagram graph figure?
