Giraffe Cull Hunt 2025 - AfricaHunting.com

Good day Africa Hunting community, This coming 2024 season - as with every other one - we will have to do a bit of management on our Madikwe East home base as we continue to have an unprecedented number of Giraffe on the reserve. Thus we are once again offering a cull hunt option for 2025 in...

What does a giraffe look like? - Answers

Giraffes look like VERY TALL horses! They have baige mixed with orange skin and brown patches. They are the tallest animals in the world with bluish tongues and cute faces. The Giraffe is a tall ...

What is the average weight of a giraffe? - Answers

About 2100 pounds. According to Wikipedia(en) the information requested is as follows :The average mass for an adult male giraffe is 1,191 kilograms (2,630 lb) while the average mass for an adult ...

Black Giraffe Hunting Safari With BAYLY SIPPEL SAFARIS 2025

We are incredibly passionate about our black giraffe bulls over here at Bayly Sippel Safaris and we have two black bulls on quota for our 2025 season. This is of course always a part of either ours or the properties management plans. Both bulls are magnificent and located in Limpopo.

Giraffe hide as bedspread? - AfricaHunting.com

My giraffe hide is slightly thicker than my bison hide, but similar in the flexibility. I think as others have said the tanning process that was used and the amount of time spent scraping the hide down to thin it out could greatly change the compatibility of end hide. Good luck with your decision and post some pictures if you decide to proceed.

Giraffe Cull Hunt With BAYLY SIPPEL SAFARIS 2024

This coming 2024 season - as with every other one - we will have to do a bit of management on our Madikwe East home base as we still have an unprecedented number of Giraffe on the reserve. Thus we are once again offering a cull hunt option for 2024 in the hope of some extra numbers being hunted this year!

Giraffe caliber? - AfricaHunting.com

I shot my first giraffe with a 375 and 300 gr bullets at about 50 yards with a lung shot. I shot my second with a 300 win and 200 gr accubonds at maybe 80-120 yards on the follow up shots. It was

supposed to be a neck shot but didn't drop like supposed to. It was the lung shot that killed it.

Best calibre for Giraffe - AfricaHunting.com

My thoughts follow: Giraffe is a very large animal. Likely the largest of the common plains game species. The torso of a Giraffe bull is larger, wider than a Cape Buffalo. The hide of a Giraffe is tough and thick. The bulls establish dominance by bashing those two short horns on their heads into one another's shoulders.

Giraffe question from newbie - AfricaHunting.com

Why is there very little posted about giraffe hunting on AF? It just doesn't seem many hunt reports or posts mention giraffe hunting. I'm sure there is reason l, but being a newbie I just don't know the reasons.

What is the plural of 'giraffe'? - Answers

What do Rothschilds giraffe Masai giraffe Reticulated giraffe Thornicorts giraffe Kordofan giraffe Angolan giraffe and Southern giraffe look like? It seems incredible, but they look like giraffes.
