How do you feel about Dot Matrix and QR codes on guns?

While perusing the American Handgunner article on an engraved Colt Python, the code on the side of the frame jumped out to me. I have a gun or two with a similar marking and actually paid it no mind, but this marking is starting to really gnaw my innards. it's extremely ugly. Supposedly, it's...

Bull Moose Guns in Mint Hill | North Carolina Gun Owners

Bull Moose Guns is by far the nicest guys you could ever ask to deal with. My purchases so far have been limited to small amounts of ammunition but they have done a number of Transfers from within state and out of state at such a reasonable rate , that doing business with anyone else in a 15 Mile radius of their shop simply makes no sense at all.

We're Done With This AR Dealer, Tim's Guns - New York Firearms Forum

In December I was in the market for an AR and heard about Tim's Guns. I rode up with my sons, father, and brother to check it out. We like to support local vendors in our area. I walked out dropping \$1800 on an AR with all the goodies, ammo, and some gift cards to hand out at Xmas. One of my sons...

Colt's Gun & Pawn - Winterville, NC | North Carolina Gun Owners

He knows more about guns than any one man I ever knew or heard of. He came to an event in my county like the TV show where people bring stuff in to be appraised. My cousin had a firearm that we had tried to identify with no luck until he found a reproduction of an old Sears catalog and found a picture of it in there.
