Colorado GMU 81 ELK - Hunt Talk

Looking to connect with someone familiar with Elk in GMU 81 Colorado. First time in GMU 81 for me. Have pre-scouted aerials and access points. I would appreciate connecting with someone who bow hunts this unit as that's my plan. Sounds like there is heavy pressure, but given the amount of ground...

Colorado unit 7/8 - Hunt Talk

Never hunted that GMU but Colorado Gaming Office posted a few trail cams pics a few days ago. I think I saw one for GMU 7. - ColoradoHunter719 I like how they labeled all the cams with the GMU.

NEWB Heading to CO GMU 12 1st Rifle - Hunt Talk

Ok, this is getting too close for comfort! After hours and hours of videos/podcasts by Randy, Corey, Gritty, etc., reading through the applicable parts of the ~1400 page elk book Randy recommended, going through UEH, and hours of time in OnX, I'm a little more than a week out from heading to CO...

Colorado GMU 511 - Hunt Talk

Hey guys, not looking for cheats or anything like that, just some insight hopefully! This is our first full fall in Colorado, and our first ever elk seasons! My wife hunted elk 2nd rifle in Colorado, did not harvest. She was only on military lands, gmu 591, and pinion canyon, consistently had...

Colorado GMU 38 - Hunt Talk

Hello, First off thanks to anyone taking the time to read this and offer advice if they have any. I am looking at coming from out of state for a rifle elk hunt. I used to live in the Denver area and hunted 38 for one rifle season. Was in position to take a nice bull (brand new hunter issues)...

GMU 25 and 26 - Hunt Talk

My camp is in 25/26. There are plenty of hunters but also a big herd of elk and plenty of other critters as well. My buddy just got back from a scouting trip and looks like there has been a lot of snow staying LATE into the year and it has been really wet. He found the dirt roads to be pretty soupy (this was a couple of weeks ago) and cut the trip short. Our camp is about 3 miles off of that ...

Nm gmu 2b - Hunt Talk

Anyone know anything about the quality of hunting as well as the quality of Elk in New Mexico Unit 2 Primarily 2B. This would be my first year applying in New Mexico and just trying to get a feel (not that I would get the draw). What units would be your first choice for a quality bull elk hunt...

Colorado GMU 54 - 2nd Rifle Season - Hunt Talk

During our Colorado 2017 Hunting season, I know we are going to GMU 54 during 2nd rifle season, Late October. I'm looking for some areas to begin doing more research for possible locations.

Colorado Elk - Hunt Talk

My Buddy and I drew 3rd rifle bull tags for GMU 7 & 8 in Colorado this year. This will be my friend's first elk hunt. I normally bow hunt in Sept, so this will be a bit of a different experience for me. I know the bulls will be in bachelor groups away from cows and they will likely be in some pretty rough country. I am looking to run some ideas by someone who has experience in the units to ...
