## **Hermaphrodite Cat | TheCatSite**

We took in a "spayed female" that turned out to be a hermaphrodite - the original owner didn't understand the vet due to a language barrier. Anyway, ZsaZsa was a cryptoorchid (had undescended testicles) and had to have exploratory surgery to be castrated, too. It wasn't necessary due to behavioral issues, but because of an increased risk of ...

## **Hermaphrodite | TheCatSite**

Severe constipation. It was taken care of but came back "At the moment, we aren't sure if he's a hermaphrodite, or a pseudohermaphrodite - the difference being that a hermaphrodite has fully functioning sets of both male and female sex organs, while a pseudohermaphrodite has both sets, but only one is functioning.

## **Question of the Day, Saturday, January 17 | Page 2 | TheCatSite**

I make pour over coffee with mostly organic decaf and a couple spoons of organic regular coffee with full fat oatmilk.

## **Question of the Day, Late Edition, Thursday, 4 December, 2025**

Hello and Happy almost Weekend! I love words. When I read I love seeing some of my favorites in print.:read: Some of my fave words: fragile, sublime, angelic, fierce, fearless, scandalous what are some of yours?

## **Featured - Behavioural issues in a young rescued cat after prolonged ...**

I will watch the rest later but saw couple bits of them. Martin" Here, let me help you with your dirty head" Kitten "Duuuuuuuuuh bird outside! Why do birds fly.?" Why is grass green?" Martin "Gaawwd your head is disgusting and you smell like bad cheese" " It's gonna take months to get this...

## **my "male" cat is pregnant...? Thanks Pet"smart"... | TheCatSite**

Good Evening; I have an entertaining short story that needs an explanation of sorts. I adopted a Neutered Male DSH kitten from pet smart 10 July 12. I adopted 2 DSH males unneutered from a shelter 2 months ago. They are all a little over a year old. This is where the story gets weird. My...
