List of Acronyms/Abbreviations - About.usps.com

flat-sorting machine; flats sorting machine.

Did I Just Get Scammed?!? : r/USPS - Reddit

USPS sends both, when I was a Senior Engineer for a fulfillment company our office received an email followed up with a phone call from the USPS asking us to stop what I was doing. At one point I realized it was faster to ask for email updates then query a few hundred thousand packages every hour.

Postal Terms and Acronyms - USPS

Quick link to postal acronyms and abbreviations. The United States Postal Service uses words and phrases that are either unique, or have special meaning within - including terms related to products and services, delivery and mail processing operations, automation technology, and strategic programs.

This public service enables U.S. expatriates, members of the Armed Forces in active service, and the U.S. Merchant Marine (and their spouses and dependents) to apply for registration and to vote when absent from the place of voting residence.

Can someone who works at USPS explain to me what the hell is ... - Reddit

USPS doesn't have it yet. Likely shipped with UPS or FedEx via "SmartPost". They deliver it to the post office eventually, and at some point the post office will bother delivering it to you. Literally the slowest way to ship something domestically.

Guide to USPS Acronyms and Abbreviations

The new year brings new mailing and shipping rates, so buckle up and be prepared to spend more:
USPS: There are no rate hikes for First-Class Mail or Marketing Mail, but [...]

Hq Ecns Package Usps Tracking Usa

HQ eCNS, or High-Volume eCNS, isn't a new delivery method, but rather a sophisticated electronic system that facilitates high-volume package tracking. It connects with the USPS' internal systems, providing a granular view of a package's journey.
