What does "HYU" mean? - AmazingTalker

What does "HYU" mean? HYU stands for "Hacking You Up," a term used to describe a specific type of cheesing. It involves using a bug or glitch in the game to gain an advantageous position over other players, such as being able to attack them without any risk to oneself.

What time is "afternoon" and when is "evening" - AmazingTalker

What time is evening? This is a fairly subjective situation. For me, I say it is evening only for the first 2-3 hours after nightfall. Of course, this varies throughout the year, depending on the season. So, in June, I often say it is 5 o'clock in the afternoon (still daylight), but in November the same time would be 5 o'clock in the evening (it's dark outside).
