High-Leverage Practices

In partnership with the Collaboration for Effective Educator Development, Accountability, and Reform (CEEDAR), the Council for Exceptional Children (CEC) developed and published a set of high-leverage practices (HLPs) for special educators and teacher candidates.

High-Leverage Practices - Vanderbilt University

Developed by the Council for Exceptional Children and the CEEDAR Center, high-leverage practices are 22 essential special education techniques that all teachers of students with disabilities should master for use across a variety of classroom contexts.

High-Leverage Practices Resources - CEEDAR

Six HLPs have been designated as pillar practices needed to produce strong outcomes for the broadest range of students. To reflect how HLPs work together and are used concurrently, the remaining HLPs are embedded in these pillars.

High-Leverage Practices | Council for Exceptional Children

In partnership with the Collaboration for Effective Educator Development, Accountability, and Reform (CEEDAR) Center, the Council for Exceptional Children (CEC) developed and published a set of high-leverage practices (HLPs) for special educators and teacher candidates.

High-Leverage Practices - TeachingWorks Resource Library

We focus on a core set of fundamental capabilities that we call “high-leverage practices.” High-leverage practices are the fundamentals of teaching. These practices are used constantly and are critical to helping students learn important content. The high-leverage practices are also central to supporting students’ social and emotional development.
