Healthgrades | Find a Doctor - Doctor Reviews - Online Doctor Appointments

This is a good time to review your current coverage and take stock of your healthcare needs for the upcoming year. Get the info you need to take to navigate open enrollment with confidence.

Review Your Doctor | Healthgrades

Doctor ratings and reviews are no exception. In fact, according to a recent survey, 70% of patients rely on online reviews, like those on Healthgrades.com, to help them select a healthcare provider.

Patient Reviews - Healthgrades

Reviews must comply with our community review guidelines - this means no profanity, harassment or non-related appointment information. Live reviews can be flagged at any time for additional review for inappropriate content.

Find a Doctor | Find a Physician - Healthgrades

That's why Healthgrades gives you the full picture of a doctor's qualifications, including clinical experience, hospital quality measures, and patient feedback.

Find a Doctor by Specialty - Show all Doctors by Name | Healthgrades

Search and compare doctors by specialty. Use Healthgrades to compare providers by ratings, search office locations, and schedule an appointment.

Find High Quality Health Care Near You - Healthgrades

Discover how Healthgrades provides hospital star-ratings and awards based on the hospital's performance vs. expectations to help inform your choice of where to seek care.

Find a Hospital | Hospital Reviews & Ratings | Healthgrades

Our exclusive hospital ratings help you find a doctor who can treat you at a 5-star hospital, dramatically lowering your risks.

How Healthgrades Helps You Find the Right Doctor

A highly qualified doctor who has admitting privileges only at a 1-star hospital may not be the best

choice. Take a few moments to review the quality of a doctor's affiliated hospitals so you have the full picture of the care you'll receive. Healthgrades can help you find the top hospitals near you and their respective ratings by specialty.

About Healthgrades
