ELI5: what is irony? : r/explainlikeimfive - Reddit

Irony is when we expect the opposite of what actually happens. For example, when a kid is pushing in the door labeled “pull” at the school for gifted children, it’s ironic. Sarcasm is verbal irony, when someone says the opposite of what they mean. The only thing ironic about Alanis Morissette’s song “Irony” is that the vast majority of examples in the song are NOT ironic.

ELI5: What is the difference between sincerity, irony, post ... - Reddit

Irony is making fun of it and pointing the absurdity of it. Post irony is returning from irony back to being sincere. Meta irony is being self-aware of the irony of it all. Confused? You should be. I view it as different degrees of self-awareness, at the end of which the recipient isn't able to tell if this is ironic or not.

ELI5: What is Irony? : r/explainlikeimfive - Reddit

Irony is when something happens that is the opposite of what is expected. It can be funny, but it can also be tragic. Sarcasm, where the real meaning is the opposite of the surface meaning, can be a type of verbal irony, but it’s not the only type of verbal irony. In dramatic irony the audience knows what to expect, but the characters on stage do not. Thus the audience knows Juliet took a ...

Halo Reach, the irony of each death. : r/HaloStory - Reddit

I personally kind of prefer the idea that this was the irony of her death, more than the idea of “a headshot because she was the brains” idea. It seems like less of a stretch to me, and is consistent with each member of the team exiting the story doing what they were best at.

How Necessary Is Irony Mod Manager? : r/Stellaris - Reddit

Irony can't do these for you. Irony CAN show you conflicts between mods, and help you to resolve them, but your mods should already be telling you their load order when it matters, and in order to properly manually resolve them, you're going to have to understand the mess of overwriting rules and some of how to write a mod in the first place.

What is the difference between post irony and meta irony? : r/Jreg - Reddit

Post-irony is returning to sincerity through irony, whereas meta-irony is using irony ironically. If I were to say something along the lines of "Humanity is an outdated, tired species whose time has come.

Thinking about the longer-term outcomes of irony-usage in ... - Reddit

The necessity of ambiguity is what pushed irony to evolve (and therefore it can only do so at a collective level). The powerful rise of irony in the late 20th century arose to mock the overwhelming sincerity of society.
