Survival Game News - Reddit

Survival or management game with long progression & skill point system Been really having fun with survival-esk games, but not sure what to look for now. 7 days to die - liked the skill-point system and progression. Son's of the forest - liked the resource management Rust - fun at the time (2012 or w/e) but I'm not too into multiplayer now

Does anyone actually enjoy survival mode : r/skyrim - Reddit

Survival Mode is a ton of fun for me, but I play a lot of survival sandbox games where food/sleep/temperature regulation is a key feature, so I probably feel better about it due to the familiarity.

Survival Games - Reddit

We all know Stranded Deep, the survival sim where your plane crashes somewhere in the Pacific Ocean and you end up drifting in a safety raft until you come across an archipelago of tiny deserted islands. So you reach the nearest one, get your bearings, and have to survive and find a way back to civilization. Sounds like a pretty simple premise, right? The game has good mechanics, nice graphics ...

Should I play Evolved or Ascended : r/ARKSurvivalEvolved - Reddit

Ark Survival Evolved is more optimized and the unofficial community is very active, older content but still a great way to learn the game. save the \$45 and wait until Ascendant gets better. I have been playing ark since day 1 launch (3.5K hours) and i will not play Ascendant until issues are resolved. lookup discussions/reviews and reddit post and youll see what im talking about. either way ...
