Dandelion, which was just okay, too much going on here. Grilled squid, a little overcooked and too salty. Plus, the hummus was very loose. Another standout - charred ...

A cheese event at a vast warehouse in Queens. Multiple bars, cheese-related events on stage and a massive, endless all-you-can eat cheese buffet curated by Tia Keenan. I ate as much as I could. Didn't make myself ill, but I did feel weird afterwards. Some kind of cheese drunkenness. Sad bit, I remember running into Anne Saxelby there. ☐

Francie - New York - Moutfulsfood

Another good dinner at Francie. Clams with a fiery horseradish-parsley sauce. A harmonious dish of chilled cucumber chunks with buttermilk, a slice of smoked trout, and a kind of soil made from crushed buckwheat. Halibut with chanterelles, capers and lemon. I ordered three cheeses and was comped ...
