## Expert Answers on Family Boundaries and Appropriate Behavior

Customer: This weekend, my 11-year-old niece was sitting on my dad's lap for a few minutes while watching a movie. She had slid off, but he was still holding her with his arms around her just below her breasts. This upset my sister, her mom, as she felt it was inappropriate for his arms to be in that position. The background is this: After my sister developed breasts during her teenage years ...

## **hoping to make friends**

Just to say hello, and hoping to make many new friends on Kristen's board, also to thank the many authors for the wonderful and diverse stories that have given me many very pleasurable and "stimulating" hours on what would have otherwise been some very boring evenings. The "taboo", and more shocking categories amongst my favourites.

## **Social Security Earnings Test: Expert Q&A & Solutions**

Customer: I'm 65 and anticipate earning more than the earnings test limit this year. This means I won't receive any benefits until May, and I can't manage that. Is there a way they can deduct perceived earnings incrementally instead? This seems quite restrictive! Accountant's Assistant: I understand you're concerned about the Social Security earnings test and how withholding all benefits until ...
