Koda for et stærkere musikliv

Hvad får jeg når min musik bliver spillet? Få svar på hvad Koda udbetaler, når du bliver spillet i tv, radio eller for eksempel på en streamingtjeneste.

Koda - working for a stronger music scene

What do I earn when my music is played? Find out how much Koda pays when your music is played on TV, radio, or streaming services.

Log in to Koda

If you create music or if you are a music publisher, you are a member and can log in to Mit Koda. If you use music publicly in your business or organize concerts and events with music, you are a customer and need to log in to Min Side.

My Koda profile

Through My Koda, you can easily switch between your profiles using the multi-login. Please contact Member services if you are interested in obtaining a multi-login.

About Koda

Koda manages the copyright for composers, and songwriters and their music publishers. Copyright ensures that composers, songwriters, and music publishers must grant permission when their music is played in public spaces.

Contact Koda

Would you like to file a complaint against Koda? If you wish to file a complaint against Koda, you have various options both as a rights holder and as a music user or customer.

Get your music license - koda.dk

In Denmark, Koda and Gramex represent the rights of composers, songwriters, and musicians. And with a music license, you get access to play more than 38 million songs from around the world. Koda is a non-profit, and we distribute about 90% of the earnings back to the creators of the music.

Information and help - Koda

Find information about Koda and the music industry. We will guide you and help answering the questions you might have.

Log ind på Koda
