Common Kubota Terms Explained - OrangeTractorTalks

Some common terms and abbreviations related to Kubota, or for tractors in general for that matter, include: CUT - Compact Utility Tractor Next to their trademark orange color scheme, CUTs are perhaps what Kubota is most famous for. A CUT is a tractor that is smaller than a small farm tractor but still larger than a ride-on mower or garden tractor. They typically have power ratings in the ...

What's new | OrangeTractorTalks - Everything Kubota

Hi, I was wanting to put a hydraulic thumb on my L35. I was reviewing raleighl35's post where he did this. Someone else on foreum suggested he doesn't get on forum much and for me to maybe contact you since you might have installed the modification yourself and could maybe answer any question I had. I understand you have to add a valve. He said it was a Husco 5002-a1 valve. How do you attach ...
