Where can I get a 'true' kink free garden hose?

HD, Lowes and even Amazon advertise 'kink free' hoses and none of them are worth a ****! I've tried em. I coil them up loosely on garden hose hangars mounted to the house and every one of them kink, in multiple areas, when I remove it. I need a 75' truly kink free hose. Any ideas?

Tips on bending mini split line sets? | The Garage Journal

The more you bend it the harder it gets to straighten and rebend, it will make it more likely to kink. The 1/4" is easy, you can kink it but you almost have to try to kink it. The 1/2" can be a little tougher but is still pretty easy to hand form. If you know you will have plenty of extra length cut a couple of feet off of one of the linesets and make a practice bend or two so you have an idea ...

Where can I get a 'true' kink free garden hose?

I use hoses for work, rubber's the best for non-kinking. The old hexagonal Sear's Craftsman Hose was a great bargain, it took over 13 years for one to finally bite it and they used to warranty them! Look for Made in USA and you should be good, I also get shorter lengths just in case a hose...

Best replacement for Rigid shop Vac hose | The Garage Journal

trying to find a GOOD replacement for the awful rigid hose that came with the Vacuum. the Vac is excellent! the hose is ****! the fitting size is 2.25" and the hose is a bit larger. has anyone found a more flexible replacement? Thanks!

Gridfinity Tool Storage | The Garage Journal

In any case, "we don't kink shame around here". Over time and as my skills and hobbies have grown I have moved from a tool bag to a tool chest to a 27" roller cabinet, added a hutch, and then added a second 27" roller. Over the last few years I've had the luxury of building a shop and then upgrading it with a Steevo bench under a set of cabinets.

Air compressor accessory ecommendations | The Garage Journal

Air compressor accessory recommendations I just bought an used 2 stage, Quincy QT5, 60 gallon, for \$500. Which was full asking price. I was meaning to talk him down to \$450, but when I heard it run, so smooth and quiet, I was sold. I've never seen a 5hp compressor fill a tank that fast...

Predatory practices from Car Dealership Service in 2025

2025 Range Rover with ~ 7000 miles. Under full factory warranty. Just received this from the dealership. Naturally, I declined all services on principle. And will go elsewhere. This is getting to be ridiculous.

Solved: Can I run my generator without a load?

Got a storm coming. I want to run my generac portable 3000w generator to make sure it working fine, to run out some old gas and get some new treated gas through the system. Do I need to put a load on it for about a 30 minute run?
