Haru and Legoshi's Ending (Manga Spoilers) : r/Beastars - Reddit

Legoshi poking haru with his claws refences when he did it before by accident in the hotel when they tried to have sex. Haru jumping on legoshi mirrors and is a reference to when legoshi first pounced on haru showing their relationship coming full circle as their first interaction in the series is the same as their last.

What is a controversial opinion you have about legoshi

Because Legoshi is not a good person - but the narrative tries to gaslight you into thinking he is.

How Legoshi is so slim but so strong? : r/Beastars - Reddit

Most likely because he's a wolf and wolves are naturally strong animals, although I have wondered this before with Legoshi.

Were Legoshi and Louis ever in a relationship? : r/Beastars - Reddit

I came across this on the Beastars Wiki, but I only saw it on Legoshi's page but not on Louis' page. Is this true? How long did their relationship last?

The Evolution of Legoshi's Fangs : r/Beastars - Reddit

But Legoshi's fangs have an intriguing sub-plot of their own, in which they symbolize multiple things and portray how Legoshi feels. When talking about Legoshi's transformation throughout the series, people often bring up obvious details such as his scars. However, I find his fangs the most drastic and telling change.

How would canon Legosi react if, for whatever reason, Louis ... - Reddit

How would canon Legosi react if, for whatever reason, Louis confessed that he has romantic/sexual feelings for him?

[DISC] Beastars Season 2 Episode 04 Aka EP16 [Fansub]

Legoshi's scream cutting to Cosmo's story was very well done, the studio paces things very well and holds your attention. I'm always invested in the story of each character, they give us a great selection of stories from all of them! It will be interesting to see how they converge later on in the

season.

Legoshi eating Luis was pointless : r/Beastars - Reddit

Legoshi eating Luis was pointless I know am late to the party, BUT, the whole eating Louis' leg thing proved to be pointless. It didn't help Legoshi beat Riz... instead it just got anti-climactic, the fight ended, and everyone got arrested. There was no other way everyone could grapple with their feelings?!

I know this is an weird question but, Is Legoshi Autistic?

Officially, it's unknown, but for my own view as a fellow autistic person (Asperger's), I personally don't think Legoshi is autistic. While he's socially awkward in many situations, much of that doesn't feel like it's autistic awkwardness.

Why does Legoshis Jaw Strength go Down? : r/Beastars - Reddit

Why Does Legoshis jaw strength go from like 295 before training with Gohin even though Legoshi didnt eat meat before his training or after his training, but after his training when he went through the whole meat tolerance his jaw strength dropped tremendously (i don't know maybe I missed something but i don't get how his strength went down)
