## **A Ma deposited some money in the bank on 7-2-2009 for 1000 ... - Socractic**

March 29, 2012 i am assuming that 7-2 equals July 2nd. we can add two years right away to use up 730 of the 1,000 days. from there you would track the number of days in a month until you deplete the remaining 270. jul = 29 aug = 31 sep = 30 oct = 31 nov = 30 dec = 31 jan = 31 feb = 29 LEAP YEAR!!!! mar = 31 march 31 is day 273 so we will backtrack to the 28th, which is day 1,000. you should ...

## **A man spends 6 days driving in his car. If he drove for 9 ... - Socractic**

A man spends 6 days driving in his car. If he drove for 9 hours each day, and if he averages 59 miles/hour, what was the total distance he drove, in miles? Algebra

## **Question #07160 - Socractic**

There is no concrete answer to this because it depends on your outlook on it. Below is a comparison of the two generals. After reading it, you can ultimately decide who you think was the better general. General 1: Robert E. Lee Strength -Second in his West Point class -An engineering officer -A career military officer -Great tactician -Well known officer -Good at offense and defense -Was loyal ...

## **Question #1e7c6 - Socractic**

The apples will accumulate on the man's side. Eventually there will be an equilibrium at which there are ten times as many apples on the man's side and the boy is returning the apples as fast as the man can throw them.

## **Question #5e43d - Socractic**

Macbeth can't be killed by a man born from a woman. Macbeth will be defeated when Birnam Wood arrives at Dunsinane Castle. - Macbeth kills Macduff's family. Macduff learns of this and invades Scotland with the aid of Duncan's sons and English forces. - Lady Macbeth kills herself because of the guilt she feels.

## **Questions asked by Smiley89 - Socractic**

# **Site Map - Genotype Expression Questions and Videos | Socrative**

Albinism (lack of skin pigmentation) is caused by a recessive allele. A man and woman, both pigmented, have an albino child together. What is the genotype of the albino child? What is the genotype of the parents? What is a co-dominant allele? How do you find out the phenotype ratio? Are dominant alleles always expressed in the phenotype?

## **Question #f07e3 - Socrative**

One man by the name of Ferdinand Cohen-Blind, a German, believed that Bismarck was leading Germany to the brink of civil war and decided to take action. It should be stated that Ferdinand was in fact correct in his assumption, but that's not what we are here to discuss.

## **Question #b938e - Socrative**

Here the mass of He gas  $w=11.28\text{g}$  The molar mass of He  $M_{\text{(He)}}=4\text{g/mol}$  So number of moles of He in the sample  $n_{\text{(He)}}=w/M_{\text{(He)}}=11.28/4=2.82\text{mol}$  Now initial volume of the gas  $V_1=63.2\text{L}$  Initial pressure of the gas  $P_1=101.325\text{kPa}$  Initial temperature of the gas  $T_1=273\text{K}$  Final pressure of the gas  $P_2=98.1\text{kPa}$  Final temperature of the gas  $T_2=(32.2+273)\text{K}=305.2\text{K}$  Final volume of the gas  $V_2=?$  By ...

## **Of all the minerals known to man, how many are common on the ... - Socrative**

Of all the minerals known to man, how many are common on the crust of the earth?
