PAPER UPDATE, added 11/16/21, A General Update. I have extended this paper a third time, with important updates on the Solar Cycle as well as on Kyle Rittenhouse.

Updates - Miles Mathis

Now offering rare physics books for sale from my personal library. Click on images to go to sale page. The Best of the Science Papers of Miles Mathis. The top 50 of 700 papers, ranked. NEW! What my Enemies will Never Tell You. 17 of the strongest points in my favor. You can use this as a debating tool.

THE LONGSTANDING CONSPIRACY IS FINALLY BEING UNCOVERED - Substack

Here I'm presenting numerous findings by Miles Mathis & company of major & some minor conspiracies from ancient to recent times. I've selected those papers from the last few years that seem most important to me.

Writings of Miles Mathis

"Miles must bear the double burden of being a prophet and a genius, which makes him sometimes appear a bit ridiculous. But who else rails so eloquently against both of the established, academic artworlds~the highbrow and the middlebrow?"

A Higgs Update. A December 2012 announcement by LHC confirms my predictions from September, concerning multiple "Higgs" at the 120GeV level. 5pp.

Miles Williams Mathis: TURNING 60 - Library of Rickandria

First published November 3, 2023, by one of the foremost revisionist intellectuals today, Miles Mathis. Additional information, images, videos & links from LOR on May 5, 2024. Many of you know I just turned 60 in September. Those are pictures I took yesterday to give you an update.

My Science Site

There is a link at the top of my homepage, of course, but most people never visit that—they just bookmark my updates page. So some don't even know I have a second site. I do this now because I have posted a lot of papers this year so far over there, and most of them are short and don't require much knowledge of science.
