Media player keeps popping up - Microsoft Community

Media player keeps popping up I'm using Windows 10 and whatever music player I have keeps popping up on it's own accord. I downloaded Loco Music player hoping the problem was just with Media Player but it does the same thing. I even deleted it's file folder but it still pops up (won't work and goes away but it still interrupts me when I'm typing.

Pillar of Fire Acquires Max Media Denver

Max Media retains its stations in Norfolk VA, Cape Girardeau MO, and Carbondale IL. Pillar of Fire has filed with the FCC to purchase KFCO & KJHM FM. The pending purchase will expand the Pillar Media group to five local radio stations, including WAWZ/Middlesex-Somerset-Union (STAR 99.1), WAKW/Cincinnati (STAR 93.3) and KPOF/Denver (AM 910).

Media Player Classic "Subtitles Placement reversed arrows actions"

Media Player Classic "Subtitles Placement reversed arrows actions" I used Media Player classic today, on windows 7. and i wanted to override the placement of the subtitles. so from the menu i clicked, Play > Subtitles > Options. in there there's a check mark to "Override subtitles placement".

Windows Media Center has stopped working - Microsoft Community

The last thing I tried was uninstalling media center from the control panel, restarting, deleting the files in the ehome folder, reinstalling media center, restarting, and trying to open it.
