## Frank H. Netter

Even 12 years after his death, Dr. Netter is still acknowledged as the foremost master of medical illustration. His anatomical drawings are the benchmark by which all other medical art is measured and judged.

## About us - netterimages.com

The Netter Collection is the most comprehensive collection of hand-painted medical illustrations available with a 50+ year history and a brand identity recognized and accepted as the standard by anyone who has ever received some form of healthcare training.
