idioms - What does 'never argue with a fool, people may not know the ...

A similar saying is "never argue with an idiot, lest he pull you down to his level and beat you with experience." The meaning here is, a fool/idiot/rube always speaks crudely or rudely or simply, without facts or logic, so if you throw away the rules you usually follow, you will be on unfamiliar ground, and your opponent will not.

etymology - Origin of "do not argue with idiots" - English Language ...

Don't argue with idiots because they will drag you down to their level and then beat you with experience. — Greg King Never argue with a fool; onlookers may not be able to tell the difference. — Mark Twain Answer not a fool according to his folly, lest thou also be like unto him. — Proverbs 26:4 (King James version)

What does "Never try to teach a pig to sing. It wastes your time, and ...

Never attempt to teach a pig to sing; it wastes your time and annoys the pig." In context, the point seems to be that it is fruitless to try to make someone what he or she cannot be. In part, the quotation is dismissive: After all, it starts by making the subject of the attempted improvement (or protection) a fool.

meaning - Did not get William Shakespeare's quote - "A fool thinks ...

A very well known quote by William Shakespeare A fool thinks himself to be wise, but a wise man knows himself to be a fool. The first half is okay - a fool thinks himself to be wise (he's in that

Quote about making simple things complicated and complex things simple

The only related quote that may fit could well have been his; "Things should be as simple as possible but no simpler." It is a great sentiment whether it is his or not.

origin of the expression "never argue with someone who

buys ink by the ...

What is the origin of the expression "never argue with someone who buys ink by the barrel"? I heard it on the news and I would like to know who coined the expression.

The meaning of the expression "Never laugh at live dragons"

From the book, the passage reads: [Bilbo] had been feeling rather pleased with the cleverness of his conversation with Smaug, but his mistake at the end shook him into better sense. "Never laugh at live dragons, Bilbo you fool!" he said to himself, and it became a favourite saying of his later, and passed into a proverb.

etymology - What is the origin of the quote, "You can satisfy some of ...

The actual quote is: You can fool some of the people all of the time, and all of the people some of the time, but you can not fool all of the people all of the time. It is most often attributed to Abraham Lincoln, but this is disputed: This is probably the most famous of apparently apocryphal remarks attributed to Lincoln. Despite being cited variously as from an 1856 speech, or a September ...

Is there an English equivalent for the expression "Playing the flute to ...

"Never wrestle with a pig. You'll get dirty and the pig enjoys it.", "Never argue with a fool, onlookers may not be able to tell the difference.", "Never argue with an idiot.

Is there a phrase for not arguing about taste?

In Hebrew there is a phrase that roughly translates: On taste and smell there is no point in arguing. This is of course because both are very subjective. Is there an English phrase that passes th...
