## **Where is this Photo in the Disneyland Resort? 2024 Edition**

It's time for another fun thread! I'm once again reviving this fun old MiceChat thread game. Your objective is to guess the location of a photo taken somewhere in the resort (Disneyland, DCA, The Hotels and Downtown Disney). It could be an easy photo or a difficult one! While I will be adding new photos to this 2024 edition,

## **MiceAge Disneyland Update - Guardians of the Tower - MiceChat**

Not sure why so many seemed to be in denial. The Gaurdians rumor makes perfect sense. That was a great Miceage update - and it seems to me that they are back on track. It was full of inner workings info and future Disney strategy, with about the right amount of snark. Bravo to the Miceage team. Thank you and keep up the good work.

## **past gumball rally questions - MiceChat**

Re: past gumball rally questions our team was honestly quite stunned by the questions once we got our packet on gumball rally morning, the questions were amazingly well thought out and would have been difficult for anyone to answer without riding the rides btw, Mice Chat gumball rally's are the BEST!

## **Disneyland Ghost Stories - MiceChat**

Since halloween is coming I was wondering if any of the folks in micechat land had any true stories about paranormal experiences while at the Disneyland Resort. And no, the ghosts in the HM don't count. Unless it wasn't built by an Imagineer. I was told of an experience a CM friend of mine had while cleaning below decks on the sailing ship Columbia. This CM is a big guy. His arms can crack ...

## **My Haunted Mansion - MiceChat**

Below originally posted 8/9/07 Submarine Voyage, Haunted Mansion Holiday, and Pirates Of The Caribbean Pirates Of The Caribbean are being reused here, as a nod to my old ride. The scene has some fog in it, from a fog machine, to give it that misty look. Now we have reached the end of the line. On the right, the hitchhiking ghosts are trying to follow you home. The two outer figures are the ...
