Fuchs extended his glass, and Geraldine sloppily filled it to the point of overflow. The twist of joy and madness reflecting in each of their pupils was for a job well done. He remembered drawing up the blueprint for the saw slide. It was one of the structures he was most proud of.

Aron Beauregard Playground (001 100)

The playground was a random choice—a place her mother had taken her before their wealth had ballooned, a place Geraldine remembered dallying around in with a nostalgic fondness. That day when Geraldine took her place on the park bench, she saw a mother and daughter playing together. She couldn't help but realize just how similar they looked.

Aron Beauregard's 'Playground': The Book TikTok is Calling ... - The Lineup

This lays the groundwork for the infamous page 40—the point in the book at which readers most commonly throw in the towel. Through all the gore and atrocities, at the center of this book are stories of lost childhood. Stories of children who had their peace stolen from them, who had to face the darkness of the world before their time.
