[spoilers] so I finally watched Parasite and I'm confused.

Everyone is a parasite to everyone else. Everyone views everything as a thing to suck off of. The rich family, the Parks are parasites who feed off their servants in that they see them as being disposable and only having any value as tools rather than people. To them servants should be ready to serve their every whim and want.

Why is "Parasite" considered a masterpiece? : r/movies - Reddit

I believe Parasite is considered a masterpiece for many reasons, and I will name a few: i. it's a great example of how a director can completely alter your view point on a mater with quick fire, refuting plot twists. ii. it's one of the most valid and correctly aimed modern movies.

Is Parasite a horror movie? I was having this debate with a friend and i personally thought it was a horror movie and a great one at that but my friend said it was a drama with a few scary moments and couldn't be classified as horror. Id love to hear people weigh in on this!

Parasite - Is there a reason not to use them? : r/BaldursGate3 - Reddit

Title basically. So I have come to the point where I am just about to enter Act 3, and I have a bunch of these little guys. Is there a point to not use them? Is there an achievement or other little tidbit? Other than my roleplay reasons, I am just genuinely curious. I am aware of the achievement to use them. I know that will be brought up. Edit - Why is this set to spoiler? I didn't do that ...

Parasite Tree is super easy to deal with : r/LobotomyCorp - Reddit

Hello, it has come to my attention that lots and lots of people actually have a really really tough time with parasite tree because they think that they actually have to do what it says and have someone working on it while other people work on it. However, all you have to do is literally repeatedly click on whoever was mind controlled and they will regain control, and you dont have to worry ...

What do the Lucky Charms do : r/ParasiteEve - Reddit

Was finally after about 10 years able to get Parasite Eve 1 and, friendly Japanese scientist dude (that I hear is ruined in the third game) gave me a lucky charm in the police station I haven't been able to get conclusive evidence on what it does. Some people have said that it does nothing, others have said that it lowers combat encounter rates. Put simply what do it do my dudes
