ChatGPT getting very slow with long conversations. : r/ChatGPT - Reddit

I have a few conversations with ChatGPT that have lasted several months. I can get pretty engrossed, and there is a lot of history built up in these conversations. The problem is, the page starts to get really slow and laggy when a conversation reaches that scale. I have all this time and effort invested into it, but it takes like 20 seconds to load the page and 20 seconds to submit a prompt ...

I Think it's Time We Discuss Claude vs. ChatGPT - Reddit

I've spent probably 1,000+ hours using ChatGPT in my job as a legal content writer. I've recently switched over to Claude and found that it is so much better for web content creation.

Compilation of creative ways people are using ChatGPT

A lot of people have been using ChatGPT as a stream-of-consciousness tool. The basic idea is that you've got some train of thought, or maybe you're on the edge of an epiphany, or you have a new idea for a business or product, and you want someone to help you make sense of all of these jumbled thoughts that are bouncing around in your head. The prompt is typically some variation of:
