How do you mount your EZ Pass - Tacoma World

For those of you who mount your ez pass but use something to mask the ugly look from outside, what do you use? Black interior. I use mine for my daily...

Wiring through firewall - Tacoma World

I searched! So I hope I can get some knowledge and also save a few dollars having an install done. If I slit the main boot that goes through the...

Hewitt-Tech Secondary Air Injection Bypass kit (2012+ 4.0) (UPDATED 21 ...

If the Toyota warranty is up, you should buy the Hewitt-Tech by-pass kit before it fails. Other half brain option is to get an air pump check valve and put it in line so their's no way for the hot exhaust to back feed into the pump.

Firewall pass through - Tacoma World

Firewall pass through Discussion in ' 4th Gen. Tacomas (2024+) ' started by JollygreenFE, Dec 31, 2024.

Black Bear Pass in a Stock-ish 3rd Gen? - Tacoma World

Black Bear Pass in a Stock-ish 3rd Gen? Discussion in ' Colorado ' started by windnsea00, Jul 26, 2022.

if you cut your exhaust before the muffler will it still pass smog?

John Alliance Airport 05 PreRunner SR5 Added extra awesomeness to its original awesomeness. So you are really wondering if leaving the muffler on the truck but not actually functioning as part of the exhaust system will allow you to pass an emissions test? Just throw the muffler in the bed and let them know you still have it and you should be good.

ECU Tune and Failed Emissions Testing Experience - Tacoma World

One last final massive update. OTT tune got their CARB approval making it the only NA tune for the Tacoma that is 100% CARB approved and will pass any emissions test that is now checking for a modified ECU. Big shout out to @JustDSM and the team for working hard on getting us tuned

Tacoma users legal.

How to adjust rear Load Sensing Proportioning and By-Pass Valve (LSP ...

How else can I test and adjust the Load sensing Proportioning and By-Pass Valve (LSP & BV)? (By adjust I mean the process without the SST, not the actual physical adjustments - I know how to do that from reading the FSM). The spec states 636 ± 71 psi on the rear brakes with the Rear axle load (1,874 lb). Note: these specs are for 4x4.

Pass through to cap area? - Tacoma World

Pass through to cap area? Discussion in ' 3rd Gen. Tacomas (2016-2023) ' started by myke232, Nov 2, 2015.

California Legal After Market Cold Air Intake Kits. - Tacoma World

Are any of the Cold Air Intakes, such as K&N or similar, legal to use in the Smog Test State of California? Do they change the ability of the 2021V-6 to pass a Smog Test?
