US teens' and adults' views of gender identity | Pew Research Center

Pew Research Center asked these questions as part of a larger survey of U.S. teens. We sought to better understand teens' views of gender identity and whether they know someone who is transgender or nonbinary. The survey was conducted online with 1,391 U.S. teens from Sept. 18 to Oct. 10, 2024, through Ipsos. Ipsos recruited the teens via their parents, who were part of its KnowledgePanel ...

(PDF) What is research?

Research has to have an element of discovering something new, of creating knowledge. While a literature search is one important part of a research project, it isn't research in and of itself.

How the U.S. Public and AI Experts View Artificial

Intelligence

The conferences covered topics including research and development, application, business, policy, social science, identity and ethics. Center researchers used public information and an email finder service to identify authors and presenters who lived in the U.S. and collect email addresses.

Americans' Social Media Use 2025 - Pew Research Center

To better understand which social media platforms Americans use, Pew Research Center surveyed 5,022 U.S. adults from Feb. 5 to June 18, 2025. SSRS conducted this National Public Opinion Reference Survey (NPORS) for the Center using address-based sampling and a multimode protocol that included web ...

Americans' trust in scientists in 2024 | Pew Research Center

Pew Research Center conducted this study to understand how Americans view scientists and their role in making public policy. For this analysis, we surveyed 9,593 U.S. adults from Oct. 21 to 27, 2024.
