Back to Silence | Tinnitus Talk Support Forum

Hello, I learned a technique from one of our fellow posters here and to me it's been a cure. I have not felt this good about my tinnitus in 40 years. My tinnitus is loud, in both ears, it changes frequencies, sometimes accompanied by hyperacusis, it spikes now and then, and it's here for good...

Avoid Silence or Seek Silence? | Tinnitus Talk Support Forum

I once read the expert advice to avoid silence. Many tinnitus sufferers use a background noise to distract themselves. This doesn't work for me at all, and any continuous noise, even rather quiet noises (fan) seem to spur on the hiss in my ear. What are your experiences?

My Tinnitus Becomes Calm in Silence and Aggravates After Noise Exposure ...

My Tinnitus Becomes Calm in Silence and Aggravates After Noise Exposure — Is There Any Possibility of Healing? Possum Dec 26, 2024 P

What Is Silence Like? Please Describe It — I Can't Remember a Day ...

I haven't heard absolute silence like prior to tinnitus in nearly 4 years. But about 2½ years ago I had a cold that somehow reduced my tinnitus 90% for a little while, and the best way I can describe hearing that "silence" is that it feels really light. Almost like you're floating, like a heavy weight has been put off your shoulders. It's ...

Living with Lifelong Tinnitus, Anxiety, and Hope for Silence

Above all, I hope to experience what true silence is like. It feels like an alien concept that I can't even imagine. Even quieter ringing would be a miracle. For now, I'm glad to know there are support groups like this. I hope to contribute my experiences and help in whatever small way I can.

Is Complete Silence Possible for a Tinnitus Sufferer?

I experienced complete silence for like half an hour or a bit more when I accidentally and badly cracked my neck, but it came back unfortunately. Also, in the transitioning state my tinnitus is the quietest.

How Many Are Using Back to Silence with Success?

I'm really curious how many people are using the amazing Back to Silence technique who have had partial or total success? I'm one of life difficult cases so to hear success stories would help me a lot.

Treating Tinnitus with Silence? | Tinnitus Talk Support Forum

The "Back To Silence" method, which is quite easy, and the "Silent Room." I learned about the silent room method from an interview with guitarist Pete Townsend. You sit in a quiet room for 30 minutes every day. You actively listen for silence beyond T. It was kind of a pain in the ass but in a few days I noticed a difference.

My Tinnitus Has Decreased Substantially: Is It Going Away Permanently?

After regularly using the oil drops and spending time in silence, I have noticed significant improvement. The ringing has decreased substantially. Now, in a completely quiet room, I can barely hear it. It is very faint but still present. However, the reactivity is still there.

Forgot About Tinnitus for 5 Years, and Now It's Back: My Journey to ...

For the past four to five years, I have enjoyed sleeping in silence. I eventually moved house, but unfortunately, we have noisy neighbors who constantly play music with heavy bass. I have been managing my anxiety, though I still have the occasional panic attack.
