Slavery and the American South - Encyclopedia.com

Slavery and the American South W hen America's Founding Fathers (the country's earliest leaders) established the United States in the late 1700s, they decided to build the new nation on principles of freedom and liberty for its people. But during America's first years of existence, the country's leaders decided not to extend those freedoms to a small but growing segment of the population. The ...

Religion and Slavery - Encyclopedia.com

Religion and Slavery From the beginning of the Atlantic slave trade, Western nations used religious doctrine to justify the enslavement of Africans. Although the bodies of the slaves were suffering, their souls were saved through conversion to Christianity. At the time of the Civil War, religion was still used to rationalize slavery, but it was also used by abolitionists to oppose the ...
