Shah - Wikipedia

In Western languages, Shah is often used as an imprecise rendering of Šāhanšāh. For a long time, Europeans thought of Shah as a particular royal title rather than an imperial one, although the monarchs of Persia regarded themselves as emperors of the Persian Empire (later the Empire of Iran).

Iran Toppled the Shah in 1979. Why This Time Isn't Quite Like ...

The conditions in Iran today are not comparable to those that precipitated the downfall of the Shah and the triumph of the revolution of 1979.

Why the Late Shah Remains Central to Iran's Political Debate ...

Today, July 27, marks 45 years since the death of Mohammad Reza Pahlavi, the last shah of Iran who ruled for nearly four decades before the 1979 Islamic Revolution toppled him. He died in exile in Cairo, after a battle with cancer, deserted by most of his former allies, including the United States.

The son of Iran's last shah is rallying protesters. But do ...

Support for the deposed monarchy is taboo in Iran, a criminal offense, and a sentiment long frowned upon by a society that staged a popular uprising to overthrow the Shah's dictatorship.

Shah — definition & quiz | Ultimate Lexicon

Shah (pronounced shaw, /ʃɑː/) is a title given to hereditary rulers in various parts of Middle Eastern and South Asian history, primarily associated with Persian monarchs.

Son of former shah says he is 'uniquely positioned' to lead ...

Reza Pahlavi sets out ambition to lead country his father once ruled, but many question his level of popular support

Legacy of Iranian monarchy still divisive 45 years after shah

...

While it ushered in unprecedented economic reforms, privatised oil wealth and increased rights for women, many remember the shah, who died of cancer in Egypt in 1980, as an autocratic ruler reliant on his secret police, corruption, and political repression.

The US Propped Up the Shah's Dictatorship to the Bitter End

The shah of Iran faced a secular opposition that wanted to restore constitutional government. Washington continued to back his dictatorship as it faced mass protests, paving the way for Ruhollah Khomeini to establish a theocratic system after its fall.
