pronunciation - Why is Sean pronounced Shawn? - English Language ...

Sean (written "Seán" or "Séan" in Irish) is a Hibernization of the English name "John"; that is, it's a transliteration of "John" into a form which can be pronounced in Irish and written with the Irish alphabet (which nowadays is simply a version of the Roman alphabet).

Why do we pronounce Dean as /diːn/ but Sean as /ʃɒn/?

18 Sean is an Irish name, and so follows a completely different set of rules. Siobhan is another Irish name with a very non-English pronunciation.

You can contact John, Jane or me (myself) for more information

Me. Myself is reflexive: it denotes that the person (me) is doing something to that person (myself) and no other. It's not correct to use a reflexive pronoun unless the recipient of the action is the person doing that action. You can't mix you with myself. You can talk to me. I can talk to myself.

Does "he's" mean both "he is" and "he has"? [closed]

Yes and no. You do use "he's" for "he is" and "he has". You do use "he's got something" for "he has got something." You do not use "he's something" for "he has something." [Note that according to @Optimal Cynic this is allowed in some parts of the world] Therefore the first two sentences you proposed are correct: He's angry. He's been angry. But the third one is incorrect. You cannot shorten ...

Difference between "sleeping with Sean Parker" and "sleeping on Sean ...

1 Sleep on is a play of words here. You didn't know Sean Parker when you saw him -- you must have been sleeping all this while (you were unaware of developments related to Sean Parker).

Is the correct format "Good morning, John" or "Good morning John"?

Which of these is in the correct format? Good morning, John. Or Good morning John.

When should "Mom" and "Dad" be capitalized? - English Language & Usage ...

When you are using the word "Dad" to refer to a specific person, it's standing in place of their name, and thus, like their name, would be capitalized. When you're talking about dads in general, it's a common noun. Say you had a horse named Betsy and were re-writing the sentence to refer to her: The one thing I learned from my horse was that it was good to earn the trust of one's children ...

and me" or "me and..." - English Language & Usage Stack Exchange

Possible Duplicate: "Me and my wife" or "my wife and me" I keep seeing that it's just courtesy to put yourself last in a list of nouns. eg. "They went to the game with S...

Is it acceptable to drop the comma in "Thanks, John"?

The main difference between lying and not using a comma in "Thanks, John", in your analogy, is that lying is a deliberate act of deception that often has negative consequences for the person being lied to, whereas dropping that comma is unlikely to have any negative consequences for the reader and is often not done deliberately. It's a poor analogy.

grammaticality - Is the phrase "for free" correct? - English Language ...

Sean, above, wrote, "free is just a placeholder for $0." I disagree, and this is the point. The term 'for' must be used with a commodity. The use of a commodity, such as 'five dollars', can be correctly phrased, "for five dollars". It's an amount. But the term 'free' denotes the ABSENCE of a commodity. 'Free' denotes amountlessness.
